EPA Region 10 has reviewed the Spokane County Claim for CERCLA Response Action payment number 1, dated March 1, 1996. This Claim was submitted by Spokane County for the Colbert Landfill Superfund site. This Claim was submitted according to the Preauthorization Decision Document (PDD) which is part of the Colbert Landfill Consent Decree. The expenditures detailed in the Claim appear to be reasonable and necessary for the completion of the project. The work performed was in compliance with the Record of Decision, Consent Decree, and PDD and completed under an EPA approved Work Plan.

Based on the regional review of the Claim, it is requested that the Claim be paid by EPA to Spokane County. If you have any questions, please contact me at 206-553-7177.
